**Departmental Forms, Instructions, And  
Procedures.**

(1) Designation as the State Environmental Control Agency. The Department is the State Environmental Control Agency for the purposes of federal environmental law including the Federal Clean Air Act, 42 U.S.C. 7401 et seq., as amended; the Federal Clean Water Act, 33 U.S.C. 1251 et seq., as amended; the Federal Safe Drinking Water Act, 42 U.S.C. A 201 et seq., as amended. The Department is authorized to take all actions necessary and appropriate to secure the benefits of federal environmental laws. The Department operates in conformity with such federal laws, policies, and procedures, as provided in the Act.

(2) Policies and Procedures. The Commission, through the adoption of rules pursuant to Code of Ala. 1975, §22-22A-7(c) (6), establishes environmental policies and procedures.

(3) Form and Instructions. The Director may require such forms within the rules as he deems necessary. The content of such forms and instructions for their completion may be prescribed by the Director including the changes of such from time to time. Federal forms as published by the Environmental Protection Agency may be used in lieu of state developed forms. Departmental forms prescribed by the Director shall be identified and numbered as follows:
